

EBEA European Bioelectromagnetics Association

**2010 Membership Renewal and Application
Journal Subscription**

LAST NAME _____ **First name** _____ **Title** _____

The following items are to fill only if new, changed or to be corrected. Website is a new item that you can fill

Address _____

Phone _____ **Fax** _____

e-mail _____ **website** _____

Research and teaching activity in bioelectromagnetics

In case of a new application, please attach a CV and a list of references of scientific papers

Comments and questions _____

Date _____ **Signature** _____

If you don't want your address to appear in the EBEA Website list, please tick the box

INVOICE

EBEA dues

- | | | | |
|---|-------|--|------|
| <input type="checkbox"/> full or associate member | 50 € | <input type="checkbox"/> student or emeritus member*** | 15 € |
| <input type="checkbox"/> sustaining member* | 800 € | <input type="checkbox"/> student or emeritus EBEA/BEMS | 30 € |
| <input type="checkbox"/> BEMS + EBEA member** | 95 € | <input type="checkbox"/> EBEA membership paid to BEMS | |

**Sustaining organisations are granted the Journal as complimentary and reduced rates for 5 people at EBEA meetings*

***For new BEMS members, please submit separately membership application to BEMS*

**** Retired scientists are invited to apply for Emeritus status*

(see: www.bioelectromagnetics.org)

Bioelectromagnetics Journal (the official journal of EBEA, BEMS and SPRBM)

- | | | | |
|--|------|---|------|
| <input type="checkbox"/> Journal for members (print + electr.) | 75 € | <input type="checkbox"/> Journal for students | 50 € |
| <input type="checkbox"/> Electronic-only Journal | 55 € | | |

Send this form with the payment to:

Dr Alejandro UBEDA, Serv. BEM-Investigacion - Hospital Ramon y Cajal - 28034 Madrid, SPAIN

or fax it to : +34 91 336 8171- Phone: +34 91 729 3475 - e-mail: aurora.delgado@hrc.es

EBEA European Bioelectromagnetics Association

2010 Membership Renewal and Application Journal Subscription

~~Being member of EBEA allows you to get the Journal at the rate of 75 euros instead of the regular rate 1447\$ outside North America.~~

Electronic availability of the journal. The publisher is offering member print subscriber access to the journal via Wiley InterScience, an on-line service which currently includes access to full text articles of Bioelectromagnetics published since 1997 and abstracts published since 1996. It also allows browse and search across Tables of Contents and Abstracts of all Wiley-published journals, and the ability to create a personal Wiley InterScience homepage.
